# Titanium Automatic Hand Sanitising Station

Please wait here  
to be served

# Stylish hand sanitising station to help businesses stay hygienically clean

A touch free, floor standing hand sanitising station ideal for front of house or reception areas where hand hygiene is important, and especially as business find ways to operate safely.

The 1 litre battery-operated dispenser, finished in a titanium effect, features a sensor which automatically dispenses sanitiser onto the palm of the hand.

The black stand is made from epoxy powder coated steel, rubber base seals and ABS drip tray. It features a blank area above the dispenser, which can be used to attach signs.

The stand measures 144x39x27cm while the dispenser measures 26x12x14cm. Takes 4x AA batteries (not included). Designed in Italy.

## Key features & benefits

Touch free

Position anywhere

Good hand hygiene

- Touch free dispenser of liquid sanitiser.
- Modular kit that can be positioned anywhere.
- Promotes good hand hygiene.
- Powder coated steel stand with drip tray.

## How to use
